Text: *Our Mission, At Black Sacred Soul, our mission is to honor and uplift BIPOC voices and ideas through artistic expression and fashion. As a Black owned and operated business, we hope to empower those who have been left behind, to recognize those who came before us, and to inspire other BIPOC souls to follow their dreams and reach for greatness. We believe that all of us are sacred souls, so remember, Honor the Sacred in everything you do. ~Co-Founders Seeko Siriwayo and Brittney Malik~*
